

Lesson Planning for Early Learners: Creating High-Quality Plans and Adapting for Individual Students

Wednesday, November 18, 2026

1:00 pm - 2:30 pm CST

Instructor: Emily Dorsey

In this session, we will discuss how to create high-quality lesson plans for early learners. Required components, as well as process, will be covered.

The presentation will include case study activities to practice application of new knowledge as well as time for questions and answers.
