

Illinois State Board of Education Early Childhood Department

A virtual conference sponsored by The Illinois State Board of Education (ISBE) and coordinated by Early Childhood Professional Learning, a project of The Center: Resources for Teaching and Learning

As we face new learning platforms this year, we remain focused on providing support for our youngest learners, families and educators while being intentional to ensure equity for every child in our early childhood programs. We look forward to providing these professional learning opportunities. All virtual sessions will be available for Illinois Preschool for All and Preschool for All Expansion administrators.
