

A Class Divided

Watch a short video clip from “ A Class Divided” about a public school teacher who divided her students into two groups for a lesson on discrimination. The experiment is replicated with adults. Choose the version that best meets your needs.

For a complete version of the program and teacher guides see <http://www.pbs.org/wgbh/pages/frontline/shows/divided>

Discuss:

- What did you learn?
- What scene or scenes do you think you'll still remember a month from now and why those scenes?
- Did any part of the film surprise you? Do you think someone of a different race, ethnicity, or religion would also find it surprising?
