National Center for Cultural Competence

There are training modules on building cultural and linguistic competence, cultural awareness, cultural self assessment and inquiry process.

The following link contains a conceptual framework for defining cultural competence.

http://www.nccccurricula.info/framework/B3.html

The following link contains a two-slide presentation that outlines multiple external and internal cultural factors that influence diversity. An audio presentation of the material is being created.

http://www.nccccurricula.info/resources_mod1_clip1.html

The following link contains a four-slide presentation that outlines various dimensions of culture. An audio presentation is available.

http://www.nccccurricula.info/resources_mod1_clip2.html
